MEMORANDUM FOR: SSA/DD/S

ATTENTION :

SUBJECT : Home Service Transfer Allowances

This will confirm the opinion of this Office previously furnished concerning the question of the effective Entrance-On-Duty date at Headquarters for personnel returning from assignment outside the continental United States for purposes of the transfer portion of the home service transfer allowance, which was originally raised in your memorandum of 30 August 1956. As previously stated, this Office concurs in the opinion set forth in your memorandum that the E-O-D date for purposes of the home service transfer allowance is the date upon which the individual returns to Washington for PCS following home leave. See 23 Comp. Jan. 342 and 31 Comp. Jan. 439.
